### For Prayer:

#### Open Doors: Ethiopia

In February, at least 27 believers lost their lives when extremists stormed a market and a church in two separate attacks in the Oromia region. Pray for God's healing of the community and for peace in Ethiopia.

#### GBM: N & U- Bradford, UK

Please pray for a convert who has been attending the afternoon church with his family. Tomorrow he will be baptized at another church, with N participating. Pray for this brother—he has to act wisely and discreetly because of opposition to his new faith, including death threats.

**Cleaning** - Sue & Danielle
